What Was Said About All of You

“

SHE SHOWED AN EXCEPTIONAL AMOUNT OF SPORTSMANSHIP

She Treats Her Horse Like Royalty and Works Really Hard Around the Barn

She Always Encourages All of her barn mates to do their best even when they are feeling down

She had a rebuilding year. She worked really hard and was never upset when she didn't get a ribbon.

She is always the first one to show up and the last to leave, she is helpful and encouraging to everyone and challenges both herself and her horse with a positive attitude.

She is so nice to me and my friends. Whenever we are frustrated she makes us feel better about ourselves and more confident. She always knows how to make us feel better.

I want to nominate my Mom. She is always in my barn to help at shows for me to learn, to guide me that it is not always about the ribbons, but about learning to ride better. She is amazing.

This is a very hard sport and it's so easy to get frustrated and down on yourself. She has a special way of brightening up our day with her positive attitude and caring personality.

The Impact You Make

“

She is the Best!

She has taught me a long time, and has yet to become tired of it.

She is always working her butt off for the success of her students.

She is the most positive encouraging coach.

SHE IS INCREDIBLY KNOWLEDGEABLE AND THOROUGH AND WORKS WELL WITH A WIDE AGE RANGE OF STUDENTS.

She is so consistently kind, fair, and has integrity and is conscientious and teaches that to all she trains.

She inspires me greatly because she's always on time, if not early to everything, especially horse shows. She works super hard to keep all the horses sound and all of her students motivated, and she is just the greatest trainer.

She is truly amazing.

She is not just a trainer, she is like our momma, best friend, and ear. She listens to us when we are struggling to get a lead or is there to catch us when we fall.

She handles our horses, our barn, our parents, and us.

She is a miracle worker with us.
