

GHJA Covid-19 Protocols

The GHJA has decided to follow the guidance of the USEF and implement the [USEF Covid-19 action plan](#) as our official rules and regulations for hosting a GHJA show. The action plan is a living document that is updated every Tuesday as the situation develops. The GHJA has taken this course of action in order to help protect show organizers liability and to provide consistent guidelines within our sport. We ask that you review all aspects of the action plan and utilize it as a tool to help create the safest show experience possible as we resume licensed competitions. GHJA show stewards will be evaluating the adherence to the rules and failure to comply can result in a removal of show sanctioning for future events.

A few key notes from the action plan:

Organizers must

- Ensure that all participants, including licensed officials and volunteers, provide emergency contact information and execute an updated Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement required by USEF (and GHJA), as a condition of participation. Please ensure use of the updated form for competitions starting on May 6, 2020, or after.
 - The new waiver forms are attached to the bottom of this document.
- Require a facemask or face covering for all staff, officials, volunteers, service providers and participants in any setting where there is a possibility of being within six feet of any other individual, and when not mounted on a horse. Competition Organizers must provide facemasks or face coverings to competition staff, volunteers and officials. You can find recommendations for proper use of face masks and face coverings via the Centers for Disease Control & Prevention website. **A participant cannot be disqualified or penalized for wearing a facemask or face covering while competing.
- Post signage that displays all applicable federal, state and local regulations, requirements and orders as well as WHO recommendations and CDC guidelines as they relate to mass gatherings and sporting events in effect at the competition.
- Enforce social distancing requirements throughout the competition grounds at all times.

Please review and familiarize yourself with the action plan and its policies. Understand that our membership travels from show organizer to show organizer and the only way we can best protect our membership is to hold all competitions to the same standard. Thank you for working with us as we continue working towards reopening shows.

The GHJA is here as a resource to help you as you restart competitions. Please feel free to reach out with any questions you have regarding the new policies. We look forward to working with you as we safely resume competition.

Thank you,
